

	ABOUT ME
<p>I am Fuad Mohammed Umer, a dedicated Computer Science graduate from Gondar University with hands-on experience as an ICT Officer Intern at Abyssinia Bank. My internship provided me with practical skills in secure financial systems and customer data handling, alongside deepening my understanding of banking technologies. I have developed various projects, including a full-stack blogging platform and a weather fetching app, demonstrating my proficiency in languages like Python and JavaScript. Passionate about technology and collaboration, I thrive in team environments and am committed to continuous learning and problem-solving.</p>
